

Winter Awareness 2011-2012

Your safety is your responsibility. Be prepared and safe.

For Bad River Tribal closures listen to Heartland Communications Radio Stations from Ashland on your radio or phone 715-685-7899.

The FM stations usually repeat the area closures every 15 minutes. Heartland Communications is the first media outlet that the Tribe notifies during a Tribal office closure. You may also see updates on Duluth TV stations, but they are not notified directly. The phone number (715-685-7899) is a recorded message.

WNXR 107.3 FM reaches as far as Superior/Duluth.

The website has a "school closings" link right on the home page.

WBSZ 93.3 FM also has a "school closings" link on the home page.

The website has a "listen live" tab on site to listen over the internet.
